

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing design and engineering related services for the upgrade and/or replacement of obsolete HVAC, electrical equipment, and instrumentation and control (I&C) systems at two (2) pump stations and sixteen (16) regulator stations.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at www.metrokc.gov/finance/procurement/rfp_rfq_itb/default.asp (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The estimated value of the contract is \$900,000. The County plans on issuing one contract.

Contract Title:	Design and Engineering Related Services for the Asset Management Program Pump and Regulator Stations Upgrade
Number:	E53024E
Proposals due	September 15, 2005
Time:	5:00 p.m.
Preproposal Meeting:	August 22, 2005
Time:	9:00 a.m.
Location:	King Street Center, 201 S. Jackson, 3 rd Floor, Conference Room 3D.

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The King County Department of Natural Resources & Parks, Wastewater Treatment Division, through the Capital Asset Management Program, will be replacing obsolete HVAC, electrical equipment and instrumentation and control (I&C) systems at two pump stations and sixteen regulator stations. The Attachment 1, scope of work identifies the pump and regulator stations. Work under this contract consists of field verification of existing drawings accuracies, providing design, specifications and drawings, demo drawings, and construction cost estimates. The Consultant will be required to comply with applicable laws and regulations related to worker safety, health and confined space entry.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes: mechanical and electrical engineering

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is:

SEDB Goal	15%
-----------	-----

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements the Consultant shall comply with.

QUESTIONS: Questions concerning this solicitation should be directed to **Frances Gaucin, Contracts Specialist** at 206-684-1342, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711-----
